	Parts Manual - CD (Serial Number Specific, Distributed by Literature Distribution House).....	301-30	90.	Net -
NOTE: Given the customized nature of this serial number specific manual, it cannot be returned or refunded. A Hyster Serial Number specific parts manual highlights in Bold Type those part numbers that are particular to an individual serial number unit. The manual also includes a section listing Special Products (SPED) options that were assembled on the unit prior to shipment from the manufacturing facility. Although every effort has been made to highlight each part specific to the actual serial number, the highlighting feature may not be 100% complete for all component assemblies; therefore, the manual also provides a listing of all other standard serviceable parts available in the unit's series. Hyster shall not be responsible for any errors or omissions. As an alternative, a series specific manual (without the bold type listings and SPED) is still available through normal ordering procedures at the Literature Distribution House.				
Export Processing -		005-01	65.	Net -

SOLD ALONE – From the Parts Depot

Convenience Tray	Battery Mounted	1500896
	(Fits 13.4" Battery Box)
