Dear Mr. DeYoung

This letter serves as a Dealer Managed Agreement between Ace Hardware Corporation as the buyer, Hyster Company (Hyster) as the manufacturer, and ALTA Equipment Company as the dealer administering the account. Through this agreement, ALTA extends its most favorable National Account pricing to Ace Hardware, with provisions for all local dealers responsible for delivering and maintaining your equipment. This non-binding Agreement is mutually beneficial and outlines purchasing procedures only. Ace Hardware is not required to purchase Hyster lift trucks.

Ace Hardware will place all orders with ALTA Equipment's Chicago office and will provide ALTA Equipment Company with up-to-date information regarding affected Ace Hardware locations and contacts. ALTA Equipment Company will be responsible for timely placement of factory orders and coordination of new equipment installation at all locations within the Hyster dealer network.

ALTA Equipment Company, Hyster, and exclusive Hyster dealers appreciate the confidence you have placed in us to professionally service your account. Our National Account Program offers additional benefits with creative financing, customized service programs, and services to help lower your cost of operation.

Some or all of Ace Hardware divisions may wish to take advantage of the Hyster Fleet Smart services, which can be tailored to your needs. Some of the benefits include an 800 number for Hyster service dispatch and centralized invoicing. Let me know if you would like information on this.

I will be assigned as Ace Hardware's Account Manager and will be your point man to handle all matters for your program. Please call me at 708-878-1623 or email me at P.Klek@altaequipment.com with any questions. I look forward to working with you and becoming a part of your continued service.

Sincerely,

Phil Klek
Major Account Manager
