

HYSTER COMPANY

Americas Division

May 19, 2008

TO: CERTAIN DEALER PRINCIPALS AND SALES MANAGERS
FROM: STUART JACOVER, VICE-PRESIDENT, SALES – CENTRAL REGION
SUBJECT: NORTH AMERICAN STEEL ALLIANCE (NASA)

This is to confirm a Dealer Managed National Account Agreement for Hyster product between North American Steel Alliance and United Lift Truck – Bellwood, Illinois who is responsible for administering the account.

Please note the attached listing of plants/operations in your area and make contact with your local plant as soon as possible.

United Lift Truck – Bellwood, Illinois will be responsible for placing orders with Hyster Company and coordinating the delivery and installation of new equipment. All orders for locations on the attached sheet are to be placed through the United Lift Truck office in Bellwood, Illinois. North American Steel Alliance will be responsible for informing their locations of this agreement.

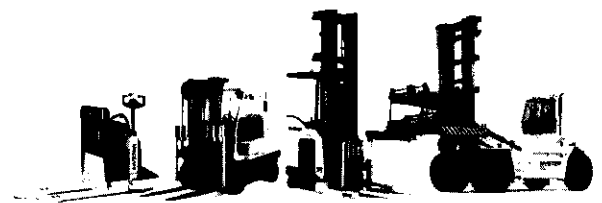

The Dealer Managed National Account Agreement will expire in three (3) years from the date of this agreement which will be May 5, 2011.

If you have any questions concerning this account, please contact John Clark, Account Manager at (708) 547-7300 at extension 166, or e-mail jclark@unitedlifttruck.com. In John's absence, Phil Klek can be reached at (708) 878-1623 or e-mail pklek@unitedlifttruck.com.

Sincerely,

Stuart Jacover, Vice-President, Sales
Central Region

Mr. Miles Donovan
North American Steel Alliance
Suite 310
2250 Point Boulevard
Elgin, IL 60123

Dear Miles,

North American Steel Alliance (NASA), Hyster Company and United Lift Truck (ULT), who is responsible for administering the account, hereby enter into a Dealer Manager National Account.

The initial term of this Agreement shall be three (3) years. Thereafter, this Agreement shall remain in effect until such time that one party has provided the other party with ninety (90) days of written notice of termination.

Through this Agreement, ULT has extended most favorable National Account level pricing to NASA with provisions for the administering dealer (ULT) and for all other local Hyster dealers who will be responsible for delivering your equipment and maintaining the equipment as requested.

All orders are to be placed by NASA in Elgin to ULT through the Bellwood office. ULT will be responsible for timely placement of factory orders and the coordination with the Hyster dealer network involving installation of new equipment at all locations.

NASA will receive a 4% rebate from the purchase price of all Hyster forklifts. This rebate shall be administered by ULT. An additional rebate of 2% of purchase price will be offered on all non-Hyster equipment. This rebate will be paid at year's end.

Invoicing and payments are subject to prior credit approval of NASA members. Invoicing will be to NASA in Elgin. Payment for all products or services under the Agreement invoiced by ULT shall be Net 30 days from date of invoice. Invoice will also include all applicable taxes, installation, and freight charges.

Hyster Co. warrants each new Hyster lift truck purchased under this Agreement to be free of defective material and workmanship under proper use and service in accordance with the terms of the warranty statement published by Hyster in effect at the time of acquisition of the product. Hyster replacement parts will be warranted for 6 months from the date of installation. Extended warranty periods are available at additional cost.

It is the responsibility of NASA to advise all their members of the Agreement and to provide ULT with up to date information regarding the affected NASA locations and contacts.

This is an Agreement for outlining mutually beneficial purchasing procedures only. NASA is not required to purchase Hyster lift trucks, nor is this a binding agreement. ULT, Hyster Company, and its exclusive dealers appreciate the confidence you have placed in us to professionally service your account. John Clark will be assigned as the Account Manager and will be your point man to handle all matters. Should you have any questions regarding your National Account Program, please call John at (708) 547-7300 x166, or eMail at jclark@unitedlifttruck.com. Also, I

Confidentially: Each party shall hold the information it receives in confidence, including the pricing, rebates, or other terms and conditions of this Agreement, and shall protect it using at least same degree of care it uses to protect its own proprietary and confidential information and materials of like importance. In no event may either party use less care than a reasonably prudent business person in a like or similar situation. Neither party shall disclose or permit any third person or entity access to the confidential or proprietary information of the other party without the disclosing party's written permission, except for Hyster's authorized dealers and each party's legal, insurance, and accounting advisors, as appropriate. Any Proprietary information concerning Hyster, its products, data, documentation, services or manufacturing processes which are disclosed to the NASA incident to the performance of this Agreement shall remain the property of Hyster, and no rights are granted to NASA to produce or have produced any such products, or to practice or cause to be practiced any such processes, or reveal, disclose, or publish any such data and documentation. Hyster's confidential information may be used by NASA solely to use or service the products.

Sincerely,

Phil Klek
