PGW DEALER PROGRAM GUIDELINES Updated 6/22/10

PROGRAM DETAILS

- Program Start Date – August 1, 2009
- Locations Included – all PGW Auto Glass locations (United States and Canada)

TIME AND MATERIAL REPAIRS

- All repairs are performed on a time and material basis.
- Dealer will be reimbursed for travel and labor at the dealer's published hourly rate as of 8/1/09 less 10% and will remain effective through 8/1/10.
- Charges not allowed
 - Miscellaneous items such as fuel surcharges, mileage, service call charges, van usage charges, etc.
 - Charges for these items on claims will not be approved.
- Reasonable fees such as environmental fees and shop supplies may be included, however, HFS reserves the right to review and deny payment on any fees we do not consider reasonable or that are excessive.
- Reasonable fees of shop supplies and environmental fees are not to exceed 6% of labor
- Notification of customer damage
 - Technicians should clearly note on the work order if the repair was a result of customer damage so the warranty administrator can add this information to the claim description when submitting claims. This is an important step in providing accurate reporting for the customer.
 - Travel will be reimburse at your discounted labor rate but closely monitored.

CENTRALIZED DISPATCHING

- All service repairs are to be dispatch through HFS.
- Refer all service requests that are made directly to your dealership to the HFS toll free number (877-874-9570). The service requests, including after hour service requests, will then be dispatched to your dealership.
- PGW has an exclusive agreement with GNB. The customer should not purchase or ask for quotes on batteries & chargers from our dealers. **PGW have a purchasing program with a battery vendor (GNB) and will purchase all batteries and chargers directly from them.**
- The contact for new batteries is George Preisendorfer. His phone number is 724-344-0167

- Communication is critical. Please advise Hyster Fleet as soon as possible of any delays in responding to any service calls dispatch to your dealership or delays in completing repairs.
- It is imperative for the technicians to have clear communication with an appropriate location employee (e.g. member of management, requestor of the service) before leaving the location. The location should be given status of the service.

QUOTES

- All repairs in excess of \$1,300 require approval from HFS prior to completing the repair.
- **Quote is required before work is performed. Any quote submitted after repairs are made will be denied.**
- Quotes must be submitted to HFS within 24 hours of the completion of the initial service call.
- Quotes should be submitted on the PGW quote form
 - All labor and parts need to be broken out – no lump sum totals.
 - We will not approve any charges for miscellaneous items such as fuel surcharges, mileage, service call charges, van usage charges, etc.
 - No taxes should be listed on quote
 - Use the discounted labor rate.
- Dealers should submit quotes as applicable to HFS by submitting a Contact Management ticket and attaching the quote.
- As quotes are received, Hyster will submit to PGW for review and will advise dealers of approval or denial upon notification from PGW.
 - If the quote is approved
 - HFS will forward a PO# to the dealer by email
 - Dealer should move forward with the repair in a timely manner
 - Dealer should submit a claim to HFS once the repair is complete
 - Dealer should include the PO# on the fleet claim. Claim over \$1,300 that does not reference a valid PO# will be denied.
 - If the quote is denied
 - Dealer should submit a claim to HFS for the diagnostic labor and travel only.
 - Dealer should not perform any other repairs or PM on unit.
- **Claims received by HFS for repairs in excess of \$1,300 that do not follow these procedures will be denied.**
- Repairs **can not** be split into two claims in order to bypass the quote threshold.

Hyster **FleetSmart**

- **Effective January 1, 2010** Basic Periodic Maintenance should be performed on a calendar basis utilizing the following guidelines:
 - **All Order Picker units should follow a 90 day PM schedule**
 - **All Sit Down IC & Electric should follow a semi-annual PM schedule**
- Exceptions to these schedules:
 - If you just completed a PM in the last month you can base your next PM off that schedule.
 - Locations that require a more frequent PM's based on usage or application circumstances. Please make sure the PGW branch authorizes and note claims accordingly.
- In the coming year will gather information on their fleet to develop a more defined benchmark by equipment type on PM timing and communicate to dealer body. Other PM levels should be handled according to the manufacturer's written guidelines and authorized by branch.
- It is the responsibility of the dealer to perform timely PMs – HFS will not dispatch PMs.
- Dealers will be paid in accordance with the **FleetSmart** PM program announced on September 15th, 2008.
- **FleetSmart** PM Rate Guide can be found on the digital dealer website
- Submit a type 6 PM Claim with labor submitted in the labor section, zone charge in miscellaneous section (one zone charge per day) and parts should be in the parts section.
- Before traveling to the location to perform a PM, dealer should schedule PM's with the location. We recommend that you record the full name of the person that you speak with when scheduling the PM.
- Additional service or parts found during a PM should be performed on a time and materials basis and must be submitted to HFS as a separate fleet claim.
- PM stickers should be affixed to each unit. If a technician sees that one is missing, tech should affix a sticker to each unit detailing the date and hour meter reading of the PM. Hyster can provide PM stickers upon request.

RENTAL EQUIPMENT

- All request for rentals are to be dispatch through HFS. PGW branches have been directed to the same toll free number that is used for service requests (877-874-9570).
- HFS will contact the servicing Hyster dealer to determine availability. The dealer can then work with the PGW location to arrange delivery and pickup.
- The dealer should follow the Hyster **FleetSmart** Rental Guide dated June 1, 2009.
- A type 6 fleet claim should be submitted to HFS for all rentals.
