THE NEW FEDERAL STIMULUS PACKAGE MEANS ENHANCED 2008 TAX BENEFITS. ACQUIRE THE EQUIPMENT YOU WANT TODAY!

On February 13, 2008, the federal Economic Stimulus Act of 2008 was signed into law. One big advantage: It dramatically increases depreciation value on new equipment purchases for businesses large and small.

For customers like you, this makes your Hyster equipment more affordable, whether you choose to finance or lease it. Now is the time to take advantage of big tax benefits and acquire the equipment your business needs today.

For Equipment Loans

For 2008 Hyster equipment purchases, you can now enjoy an extra 50% bonus depreciation. For example:

Purchase price	\$100,000
50% bonus depreciation	\$50,000
MACRS depreciation (5 yrs)	\$10,000
Total 1 st year deduction	\$60,000
Potential 1 st year savings (for companies in the 35% tax bracket)	\$21,000
After-tax equipment cost	\$79,000

For Equipment Leases

Beginning in April 2008, Hyster Capital is offering reduced equipment lease rates. Here is an example of possible lease savings:

Equipment lease	\$100,000
Previous lease rate factor	.01607
New lease rate factor	.01565
Total savings over lease term	\$2,400

Section 179 Benefits

If your yearly equipment purchases are less than \$800,000 can capitalize on the Section 179 expense allowance, which has nearly doubled, from \$128,000 to \$250,000. Contact your local Hyster dealership for more information.
