Hyster W40Z Walkie Pallet Truck

- One of the most compact, maneuverable yet toughest designs on the market with a capacity of 4,000 lbs. (W50Z model with a capacity of 5,000 lbs. also available)
- 10% less energy consumption when tested against other select brands (moves more pallets per battery charge)
- Sharp turning radius and creep button for pinwheeling pallets inside the tightest of trailers
 - Easy-access battery and onboard charger compartment
- 48" long, tapered forks with pallet exit trollers for lifting up and over bottom deck boards
- Steer-handle mounting and gas shock spring to minimize operator exertion
- A single lift cylinder for consistent load balance
- Exceptional service and parts support from your local Barloworld Handling branch
