

COMPLETE WAREHOUSING SOLUTIONS

Factory Authorized
Hyster Dealer
For Metro New York

We supply every product needed for any size warehouse, including our full line of Hyster lift trucks. Hyster warehouse products allow you to operate as efficiently as possible by reducing down time and the huge costs associated with it.

Ask about our fleet management programs, designed to give you valuable feedback on the hourly operation costs for your fleet, along with a little peace of mind.

BIG ASS FANS

OUR LATEST ENERGY SAVING PRODUCT...

A single 24 ft. Powerfoil™ fan uses, on average, only 440 watts of power. At \$0.05/kWh, that is less than \$0.03 an hour to operate! Cool your facility in the hot summers, and destratify warm air for efficient heating in the winter, but best of all... **SAVE \$\$\$!**
