

Direct Ship Program for Cascade Sideshifters through the UNISOURCE™ Parts Program

Cascade is a premier supplier of attachments and forks for lift trucks of all makes, models, and sizes at a price that keeps you competitive. Hyster Company, through the UNISOURCE™ Parts Program, offers Cascade's F-Series Sideshifters. The features help to improve performance, productivity, and speed and are made to fit all competitive brands of lift trucks.

The F-Series sideshifters offer the following features to provide higher productivity:

- Enhanced Visibility
- High Net Capacity
- Uniform Speed
- Fast and Easy 'No-Weld' Mounting
- OEM backrest compatibility
- Free freight for orders of 5 or more shipping together
- Same day shipping on most in stock sideshifters if ordered by 1pm EST

All sideshifters purchased through the UNISOURCE™ program count towards your 2011 "You Make It Happen" recognition program.
