

ARE YOU LOOKING FOR WAYS TO...

SAVE MONEY,
IMPROVE PRODUCTIVITY &
REDUCE EQUIPMENT DOWNTIME?

Then you need to take advantage of Service Repair Kits available through the Parts Distribution Center!

WHAT IS THE VALUE IN PURCHASING SERVICE REPAIR KITS?

- One part number for the complete repair
- Eliminates the guesswork as to what parts are needed
- Do the job right the first time
- Less expensive than the sum of the kit components

BUT WHAT IS THE DIRECT BENEFIT TO MY DEALERSHIP?

- Reduced time spent stocking and restocking by your parts department
- Less time spent by your dealership looking for the right parts
- No lost time in waiting for the individual parts
- No second trip back to the dealership for forgotten parts
- Convenient look-up via Hypass-on line
