

Hyster Capital Retail Reach Rental Lease

Presented by: Bob Sattler

Date: August 27, 2007

Retail Reach Rental Lease

Program objective is to stimulate dealer rental fleet reach truck population by offering aggressive 12-month (75% of OEC) residual value and subsidized rates to drive the lowest possible payment. Dealer's inability to develop reach truck rental opportunities within 12 months is mitigated by early out provisions of lease. Product is designed for off balance sheet treatment.

Dealer Retail Reach Rental Lease

Features:

- Class II models
- Dealer retail lease (true lease)
- Early out provision
- 36-Month lease with walk away option @ month 12
- Off balance sheet treatment
- Builds Class II rental fleet
- Priced with 75% residual at month 12 (1 + 2)
- Dealer option to extend to 36 month maturity
- Use to achieve 15% or 20% rental targets
- Subsidized to 4.9% for 1+2

“Retail Rental” Lease Example

Reach Truck 1+2 Dealer Rental Fleet Lease

Quote	Make	Model	Sell Price	Term	Payment	Hrs/Yr
