

*Extended warranties are available from your Authorized Hyster Dealer throughout the Standard Warranty Period.**

THE POWER TO PROTECT YOUR INVESTMENT

You want trucks that perform to the max. The better the performance, the better the cost efficiency. That's why you trust Hyster to provide the comfort level you not only deserve, but expect, from your industrial truck investment.

We're building upon that trust by offering you peace of mind with the Powertrain Shield Extended Warranties — "Parts Only" or "Parts Plus" (which includes Labor). Both offer exceptional coverage for an exceptionally welcome price. And both provide the kind of protection you want — and need — for your investment.

When Can This Coverage Be Ordered?

Hyster offers a flexible point of order selection tailored to meet your needs. You have the opportunity to select the appropriate option at the time of initial order or anytime within the Standard Warranty Period from the date of unit installation.*

How Can This Coverage Be Ordered?

It can be ordered through your local Hyster dealer during initial truck order (with no additional administrative ordering fee). It can also be ordered anytime within the Standard Warranty Period (additional \$100.00 administrative ordering fee applies). For more information on these programs and associated cost, contact your local Hyster Dealership.

Exclusions

Travel and Labor are not covered. Seals and packings are not covered. Claims are subject to a \$75.00 deductible for units under 16,500 lbs. and \$250.00 for Very Narrow Aisle (VNA) units or units which are 16,500 lbs. or greater. Diesel engines may not be covered by this warranty.

More than just an extended warranty, Powertrain Plus provides confidence and a comfort level in your industrial truck purchase. Hyster Company warrants each new Hyster industrial truck to be free of defective material and workmanship under proper use and service during the warranty period*.

** See warranty statement for complete terms and conditions.*
