- Please contact Order Management for lead times on trucks containing Wet Dics Brakes.

****These trucks cannot be ordered without first completing a site survey for the Warehouse Product Group. They will then supply you with a quote number**

and truck configuration. This information must be included when order is placed. If there are any questions regarding Turret trucks, please contact your Regional Sales Manager.

******Contact Product Supply. NOTES: Lead times are in weeks for std product. Options and supplier issues could add 4 weeks or more to delivery dates. Swivel seats, some valves, E-Hydraulics, and sped options will elongate deliveries.**

***** OPTION INDICATORS *****

- A - Truck(s) should deliver within the Lead Time listed below providing all options are “A”.**
- B - Add 4 weeks to the Lead Time indicated in this report if there are any “B” options.**
- C - C-Indicators are non-forecasted Standard Price Book, and Supplemental Price Book options, and Sped Quotes – Please refer to the Lead Times specified in the Price Books or the Quote itself, and/or contact Order Management.**
