### H045 BRUSHED TWILL CAP

This low crown, structured cap features stitched eyelets, a thick cotton sweatband and adjustable sizing strap. Solid or Two-tone.

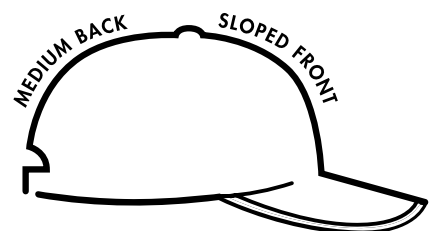

### H092 SANDWICH VISOR CAP

A low-crown design and fabric sizing strap are accented by the "sandwiched" stripe of color on the front of the visor. Two-tone.

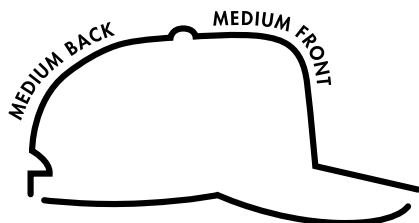

### H010 UNSTRUCTURED CAP

The popular unstructured style presents a modern appearance. Features metal grommets and an adjustable sizing strap. Solid or Two-tone.

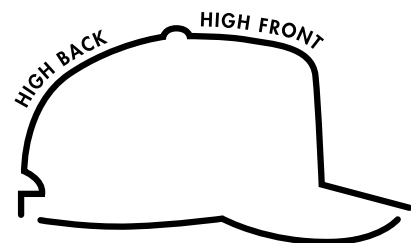

### H015 ACCENT VISOR CAP

A wide color band edging the visor makes a great accent to this heavy-duty low-crown cap. Six panel construction with an adjustable sizing strap. Two-tone.

### H077 BRUSHED CAP

The heavy brushed cotton cap is designed in the traditional baseball cap image, with a medium crown, stitched eyelets, thick cotton sweatband and an adjustable sizing strap. Solid or Two-tone.

### H069 TWILL CAP

Long lasting six panel cotton twill cap includes a thick cotton sweatband, reinforced stitched eyelets and an adjustable sizing strap. Solid or Two-tone.
