Alert: 5 Options with Extended Lead Times

As announced in Hyster Product Information Bulletin # 022411C, Hyster B60ZHD and B80ZHD truck orders with the options listed below appear in the standard price pages and eHero however **will not** be available until **3 months** after first production.

6,000 and 8,000 lb Heavy Duty Products

- Option G19804 - Vulkollan® Drive tire for applications that demand longer tire life (availability effective August 2011)
- Option G16101 - Pallet Entry Rollers available on standard tip forks (availability effective August 2011)

6,000 lb Heavy Duty Product

- Extended Tip Forks – Options G1596X 84" x 27" x 9", G1597X 93" x 27" x 9, G1598X 96" x 27" x 9 (availability effective August 2011)

If an order has been placed with any of the above options where delivery after August 2011 is not acceptable, please follow current change order status to remove the option from the truck.

Dealer truck orders having one or more of these options will be accepted however these orders will be slotted for build after the first week of August (90 Days after start of production) with first shipments in September.

If you would like to remove an option for better delivery send a contact management request to Product Supply. Standard supplementation rules apply.
